**REMINDER NOTICE: PETITION AGAINST EXTENDING THE TENURE OF THE CHIEF EXECUTIVE OF KORLE BU
TEACHING HOSPITAL**

The local unions and associations under the leadership of KOSSA write to remind you of our earlier letter dated 26th July, 2024.

We wish to state without equivocation that, the current CEO, Dr. Opoku Ware Ampomah's tenure must not be extended after expiration on the **5th of October this year (2024).**

The reasons as enlisted in our first letter still hold.

Attached to this is a copy of our first letter for your perusal.

We look forward to a fruitful engagement when necessary.

Thank you.
